CAREER OBJECTIVE

I am an aspiring software professional eager to grow my technical skills and gain hands-on experience in development. With a strong interest in innovation and problem-solving, I am always ready to learn, adapt, and contribute to meaningful projects while continuously improving myself.

EDUCATION

B.E Computer Science and Design
Kongu Engineering College , Erode
CGPA: 7.14 (5th Semester)

Vani Vidyalaya Matric Higher Secondary School, Namakkal
Computer Science
Passed with 69%

PROJECT

1. Sales Data Analyzer

Developed a Sales Data Analyzer project to manage and analyze sales records using MySQL. Designed a relational database schema and implemented CRUD operations with optimized SQL queries. Built a responsive frontend using HTML and CSS to display sales reports and business insights.

2.Hack Connect

Developed a web-based platform that connects students across colleges to participate in ideathons, hackathons, and SIM projects. Enabled cross-college team formation and mentor selection through a structured system. Simplified project registration and collaboration, improving student networking and innovation opportunities.

CERTIFICATIONS

- 1.Oracle APEX CCloud Developer Certified Professional (2025)
- 2.Java Certified Foundations Associate (2025)

AREA OF INTEREST

Game Design
User Interface (UI) / User Experience (UX)
